●●● 5-minute walk from central railway station /north exit

## By Train

It is only a 5-minute walk from Frankfurt Hauptbahnhof (central railway station) to the VCI Building. From the main concourse, leave the station through the north exit, cross the street there and keep right for 50 metres onto Düsseldorfer Straße. Keep left and follow Düsseldorfer Straße for 200 metres. Then turn right and follow Mainzer Landstraße for 200 metres in the direction of the city centre.

## By Airplane

### By S-Bahn (regional train) from the airport

- There are two train stations at Frankfurt Airport: From the regional train station (underground beneath terminal 1), take S-Bahn lines S8 or S9 from platform 1 or 2 in the direction of Frankfurt or Hanau/Offenbach to the stop Taunusanlage (trains depart every 15 minutes, the journey takes around 13 minutes). Then follow Mainzer Landstraße for about 500 meters in the direction away from the city centre.

### Buying S-Bahn tickets at the airport

- Buy tickets from the blue-turquoise ticket machines, enter fare zone /destination number 5000. This is the fastest and least costly way. Furthermore, there are connections with Deutsche Bahn (DB) from the airport station for long-distance trains (in the AIRail Terminal right next to terminal 1) to Frankfurt Central Railway Station.

### Taxi from the airport

- A taxi from the airport to the VCI costs 30 to 35 euros. The journey takes 30-40 minutes.
